Kicking off at Willowbank on Saturday the 19th of November at 9am, entrants will have just 3 hours to put down their fastest time and hand their time slip to the organiser, finishing on track at 12 noon.

From there its off to Warwick, 104kms up the road, once we arrive at Warwick you will have until 7pm to put down your best run and once again remember to hand your quickest slip to the organiser.

Camping is the go for Saturday night at the track, with a BBQ dinner and drinks supplied to finish the day, a points update will be given during dinner just so you know where you stand before heading off for the finals in the morning.

1/8TH MILE DRAGS

Sunday, after having breakfast at the track and helping to support Warwick Dragway by purchasing your breaky from them, off you go again, Lakeside 190kms away is your final destination.

With no timing at Lakeside we will be running heads up Eliminator with a twist, Points from the previous 2 rounds will be combined to determine an order for the eliminators, eg; 1st vs last, 2nd vs 2nd last, and so on, in each class.

This way your not out of the comp until your knocked out in your class eliminator at Lakeside.

Whilst entrants are making their way to the Lakeside, I will be running public cruise sessions and a show a shine meet, along with other on track entertainment.

LAKESIDE - REMEMBER! NOISE LIMITS! MAXIMUM 95db!

Once you arrive at Lakeside you now become the show, kicking you off with your very own Road Trip Cruise session, a great way for your friends and family to enjoy cruising this iconic race track, passengers are more than welcome to join entrants.

Once the cruise is over its time for business, 1 hour of practice is all you get, from there its straight into the eliminators, each class will run its entire eliminator until there is just 1 left standing.

When all the eliminators are said and done and if time permits I will be running a few extra cruise sessions open to both entrants and the public, whilst the trophies are getting sorted, following this there will be a trophy/prizemoney presentations and refreshments.
